

An authorized and illustrated book on the most famous amplifiers ever. From the same "dream team" that created The Fender Stratocaster Chronicles - Vintage Guitar magazine's 2004 Book of the Year - comes this new publication covering the other side of Fender's legacy, the instrument amplifier. Revered as much as one's guitar, the Fender amplifier gets its due in this full-color, richly illustrated book. It will be highly desired by the millions who have plugged into one of these indispensable components, and were been delighted at its sound. - Fender is the number one guitar and amp brand in the world. This book has a built-in audience. 2006 is Fender's 60th anniversary. - Over 400 images, including legendary guitarists such as Eric Clapton, B.B. King, Neil Young, Pete Townsend, Bruce Springsteen, Stevie Ray Vaughan, Muddy Waters, Robbie Robertson and Dick Dale. - Unprecedented collection of vintage gear, including never-before-seen amps that were discovered while researching this book. - Accompanying CD features over 50 tracks that make terms and topics come alive.
